Acoustic Wall Panels

Add a touch of sophistication to your living space.

Ebony Acoustic Wall Panels

NEW PRODUCTS

enVirocladShop ltd

Our Acoustic Wall Panel range offers both form and function - striking, modern interior aesthetics combined with acoustic performance.

These decorative panels feature a 3D slatted structure that not only looks amazing, but also provides real sound proofing benefits - absorbing excess noise and echo in your home.

Easy to install, each panels measure 600 x 2400 mm and are available in a selection of wood effects so you can find the perfect match for your living space.
